# IT'S A KNOCKOUT

We will have four teams competing for valuable (!) limited edition souvenir mugs. The teams areas and team leaders are:

**'Butterflies'**

**Captain Nick Tossell 712318**

Livery area, Ben Lane and The Street up to Oak Close.

**'Owls'**

**Captain Simon Wyre 712256**

Oak Close, Penny's Lane and The Street between the two

**'Deers'**

**Captain Jim Cullen 712405**

Oakhurst, Grimstead Road, Lucewood La, Parsonage Hill

**'Foxes'**

**Captain James Jeanes 712854**

Pitton Rd, Church Rd, Farley Farm Track & everyone else

Rob (*bell-tower*) Richardson is organising the events. He will have a megaphone and wear a white baseball cap, and must therefore be obeyed.

Team captains will wear coloured baseball caps so that they can't get lost.

Team members will be given team colours to wear to correspond to their captain's cap. Feel free to dress the part according to this tasteful colour scheme:

**Butterflies.....Red**

**Owls.....Green**

**Deers.....Yellow**

**Foxes.....Blue**

*You are automatically a member of your area's team. Team captains will be seeking you out to enlist your help, but if you miss them - give them a ring!*

Team captains will try to select different players for the various challenges, so everyone should have a chance to join in. Jokers will be played to double the score and, no doubt, someone will get wet.

Some challenges require agility or brawn, some need a bit of brainpower. Everyone CAN join in - but we do need supporters as well.

## **& IT'S A PICNIC**

The organisers will provide and barbeque burgers and bangers from Harrisons and serve them in buns. Teams are asked to provide accompaniments to share as below:

<b>Butterflies</b>	- salads and quiches
<b>Owls</b>	- puddings
<b>Deers</b>	- salads and crisps
<b>Foxes</b>	- puddings

*You will need to bring your own cutlery, plates, napkins and glasses, and anything else you want such as chairs, rugs and drink. The cricket club bar in the pavilion will be open all afternoon selling tea, coffee, soft drinks and beer. There will be a number of chairs and tables available - but not necessarily enough for all to sit and eat at the same time.*

# Betty Fanshawe & the 'Witch Lime' tree

Your playing field (*yes, it is yours - it belongs to the villagers of Farley and is held in trust as a recreation field for us all*) was first opened in 1954 by Gen. Fanshawe.

In the months before her death last year, at our request, Betty Fanshawe painted a view of her beloved knobbly lime tree in Farley Farm track. She gave the painting to the playing field to help with our fundraising. Since then we have been given two more of Betty's paintings.

We think this event provides a particularly fitting opportunity to raffle all three paintings. Hew Fanshawe has given the idea his blessing and you will have the opportunity to win one of these three framed paintings in return for the very minor consideration of £1 per ticket - entirely voluntary, of course.

The trustees have been busy raising funds for the last four years to endow the field for the future. That fund stands at almost £9,000 today. Our target is £10,000 and we hope that this raffle will get us that bit closer. Our idea is to make it easier for future trustees to get on with the job of improving facilities in the field without having to worry about day-to-day funds.

If, by any chance, you will be absent on the day but would like to invest in the raffle, please contact Robin (712762) who will be pleased to take your money and issue a ticket or tickets.

And have a nice day!
